BENEFIT**

**HISTORY OF
REDLANDS
AIRPORT**

Civil Aviation has been a part of Redlands since the first known 'air meet' was held at the University of Redlands in 1911. In 1947, Redlands first formal airport was established when the Redlands Flying Inn Ranch was built, consisting of a 3,500' runway, a maintenance shop, and a hangar (still in use today by Red Aero).

77,000+
ANNUAL OPERATIONS
OPEN 24x7

BUSINESSES @ REI:

- AIRCRAFT MAINTENANCE & REPAIR
- PILOT TRAINING – AIRPLANE & HELICOPTER
- FIXED BASE OPERATORS (FBO)
- BUSINESS & CHARTER AIRCRAFT
- UTILITY & PIPELINE PATROL

\$2.5M

ANNUAL TAX

REVENUE

**ENCROACHMENT OF RESIDENTIAL HOUSING IS
PUTTING REI'S FUTURE AT RISK!!!**

With a loan from the Lockheed Corporation, the City acquired the property in 1962 and established what is today known as Redlands Municipal (REI).
